Bradstreet Admits That Confidence Is Returning-Loudon Bunkers Exercised Over the Growing Bi-Sentiment - Chicago Grain Moves Upward-Considerable Fluctuation in Pork-Lead and Silver Stendy-Gereral Glimpses of the World's Market.

New York, April 5.—R. G. Dun & Wilmington, Del. . Co.'s weekly review of trade will say: Returns showing the condition of retall trade in March throughout the country and the distribution of goods of final comparison with the same month in 1894 and 1893, giving satismonth in 1894 and 1822, giving satis-factory evidence that in most trades Fort Worth, and districts marked improvement over "Waco... and districts marked improvement over trade is smaller than in 1893. Everywhere, also, the occurrence of Easter but in April thir year, is found to acbut in April this year, is found to account for much interference in the volume of retail trade in quantities of Los Angeles Tacoma. than last year, but on the whole smal-ler than in 1892, the main difference Spokane. ler than in 1892, the main difference in Jac comparison with 1893 being found in the Lin general decline of prices, which makes Grade in value smaller, even where it is But

AS SEEN BY BRADSTREET. New York, April 5.-Bradstreet's to-morrow will say:

morrow will say:

The appearance of more settled weather, together with the announced increase in prices for bessemer pig irol and steel billets continued strong, sumulating manufacturers to demant higher prices for fall goods. Kain in northwestern wheat regions, where greatly needed, increases in wages of industrial employees, heavier shipments or wheat abroad and the rise of the week's lank clearings above the billion mark are evidences of the continuation of a better feeling in trade circles and returning considence in many lines of business.

incles and returning considence in many lines of business.

Wool and woelen industries report less setivity, but the improved prospect I: iron and steel and advances in perroleum and for lumber at almost all centers, with activity in the building trades, are having an influence. Exports of wheat flour included as wheat, from both coasts of the United States this wock, amount to 2,83,615 bushels, hearly 30,000 bushels more than in the first week in April, 1894, but 80,000 less than in the like week of 1892 and 80,000 less than in the like week of 1892 and 80,000 less than in the like week of series week in April, 1894, but 80,000 less than in the corresponding falling off in available wheat stocks have decreased within three months 25,300,000 bushels, twice the corresponding falling off in 1894, and five times that of 1802. American, Canadian, European and affoat available wheat ctocks decreased 2,200,000 bushels during the past quarter more than in any like period for four preceding years.

than in the like week of lass 100,000 pushed within three months 25,300,000 busheds within three months 25,300,000 busheds the corresponding failing off in Rel, and five times that of isso corrected within three months 25,300,000 busheds during the past quarter more than in any like period for four preceding years.

**CATTLE—There was no directly the receipts were extremely small, prices were then in nary like period for four preceding years.

**One busheds since January I last, in a like space of 12st the gain was 7,200,000 busheds during the past quarter more than in any like period for four preceding years.

WALL STREET

BANK CLEARINGS. New York, April 5. The following table, compiled by Brad-treet's shows the total clearances at the principal cities and the percentage of increase or decrease as compared with the corresponding week last year:

London callegram says: Stagnation characterized all the stock markets today with a rather sharp relapse in mining shares on the reported collapse of the Londonderry firm, a big Australian concern introduced here by Colonel North. American securities shared in the duliness. .\$ 566,081,266 7.4 ... 81,177,732 8.3 ... 96,176,757 10.8 ... 75,053,053 8.0 ... 22,071,741 13.7 ... American securities shared in the cases.

At an important meeting of influential bankers today to consider the bimetallic agitation a committee was appointed to express in proper quarters the danger of any interference with the present monetary standard. This, of course does not indicate there is even a fear of such a thing, but the bimetallic agitation is now strong and a protective opposition is deemed advisable. ansas City ew Orleans malo. . . . ilwaukee .

HEAVY REALTY SALE.

CANNON PROPERTY ON FIRST WEST BRINGS \$100,000.

H. B. Clawson the Purchaser, Geo-A Large Price Considering the Stringent Times-Other Real Es-

A very important real estate transaction was culminated yesterday when a warranty deed was filed with the county recorder transferring the title to lot 1, block 85, plat A, from George Q. Cannon and wife to H. B. Clawson, the consideration being \$100,000.

The property is situated on the corner of First West and South Temple streets and is known as the Temple streets and is known as "Cannon Property." The house is very similar in shape to the famous Gardo house and while it has not been very well cared for in the past few years it is still in a very fair convery well cared for in the past rew years it is still in a very fair con-dition. The lot is a full sized lot and the location being central its valua-tion is considerable, although real estate men say that in view of the light of low prices of realty at this time, that \$100,000 is a pretty steep

figure, that \$100,000 is a pretty steep figure.

What Mr. Clawson's intentions are regarding the place are at this time unknown to the public, although it is said that he will cause the same to be fitted up for a first-class residence.

Other transactions filed yesterday are as follows:

Barnett, part of lot 12, block
20 per account, plat A.
Edward Martin to Oscar Greisent, lots 17 to 20, block 16 et
al., Lake Vlew...
John Watson to Mariah Watson, part of lot 2, block 44,
